Commercial Solar Financing

Save money while saving the planet

- ✓ Solar financing is available for businesses large and small, non-profits and farms.
- ✓ Potentially take advantage of depreciation and the 30% federal tax credit. Consult your tax advisor.
- ✓ The immediate reduction in monthly electricity spending can be enough to cover all, or most, of the solar loan payment.

Swap your monthly utility bill for a monthly solar loan payment

- ✓ Finance up to 100% of your solar electric system with no money down depending upon cash flow analysis.
- ✓ Fixed interest rates - so you're protected from an increase in payment costs.
- ✓ Automatic payments available through deposit account.
- ✓ Get pre-approved so you know how much you can borrow.
- ✓ Contact an energy loan specialist at 563-382-9661 (Decorah) or 563-547-2244 (Cresco) to ask about loan rates, terms, and to apply.
