

## 1-2-3 Banking

Strong beginnings to a healthy financial future

### Banking: Destination, Everywhere

You have reached a stage in your life where you are ready to go out and explore the world. Perhaps you are going to college, or joining the military. Maybe you are going to travel, or heading to work right away. No matter what your future plans are, there is a lot of planning going into your next move. We want to ease one piece of that, and make banking easy for you no matter where you go!

#### Online Account Opening

Once you have some cash flow coming in, you will have hopefully made the decision to start a savings account, but maybe you aren't sure how to do that living miles away from the area. We have a solution for you! We now offer the ability to open your account right from your computer. Our online account opening tool can be used to open a checking, savings, or money market account from our webpage. You can even sign the necessary documents from our system, so you don't need to worry about mailing a bunch of paperwork back to us. Then we will be in contact with you, making

sure you receive that personal touch, and feel confident we can suit your needs wherever life may take you!

#### Online Banking

Online Banking is a "tried and true" system. Our Online Banking platform offers a powerful and comprehensive system to allow you to manage your accounts anywhere you can get the internet. With Online Account Opening and eStatements all built in to our system, you can accomplish any basic banking need you may have. Our system is built into our secure servers, so feel at ease that your information is safe and secure.

#### Mobile Banking

Smartphones are life organizers and digital communicators, allowing us to talk to anyone in the world in more ways than we can count. Banking has evolved with smartphones, and we have made banking easy. Our mobile app gives you the power to check your balances, view account history, schedule bill payments, and deposit checks. Virtually all of your banking needs can be done anywhere you have a data connection. Our mobile banking is designed for Android, iPhone, and iPad, so you have the flexibility to choose your preferred device and have the freedom to bank on your terms!

Go out and explore the world, and have fun in doing so! With the technology we offer, banking doesn't have to be one of those stressors. And while life may take you to the other side of the world, we want you to always have your hometown community bank to care for all of your financial needs. Enjoy the journey!
