

## 1-2-3 Banking

Strong beginnings to a healthy financial future

### Oh, the Places You'll Go!

Dr. Seuss wrote the famous book sharing the title above, and the message from the book holds true today. You are undoubtedly at a point in life where your dreams are big, your thoughts are expanding, and you are ready to make your mark on the world. What Dr. Seuss didn't mention, is the point that as you go out into the world, having a strong financial partner can be one of your biggest supporters and cheerleaders. Don't worry – that's where we step in.

*Oh, the Places You'll go,  
Today is your day!  
Your Mountain is waiting,  
So get on your way!  
- Dr. Seuss*

#### Online Loan Applications

Everyone needs a little extra cash from time to time. Maybe it's for a new car. Or maybe it's to start a business that will revolutionize how water is treated in Botswana. To help make this process as quick and easy as it can be, we offer loan applications right from our website. Simply go through the pages, enter in the information, and your personal banker will contact you to help finalize the loan, to get you on your way faster. No matter where you have been, or want to go, we want to help you make that next step.

#### Online Account Opening

As your needs change and expand, so will the way you handle your finances. We want to support those changes in a way that best fits your schedule. With our Online Account Opening, you can easily open and fund a new checking or savings account right from our website. We even offer the ability to eSign any needed paperwork. This saves you the time and hassle of mailing paperwork to us, and allows us to be a little greener. The easier and faster we can make this process, the happier we know you will be.

As Dr. Seuss says, "Will you succeed? Yes, you will indeed. (98<sup>3/4</sup> % guaranteed.)" We want you to be successful, and to be your strong partner in that success. We are confident the tools we offer will allow you to travel the world and go the places you want to go, all while keeping your hometown bank at your side to help you along the way. Enjoy the journey!
